1.0 INTRODUCTION

1.1.1 Hjaltland Housing Association Ltd ('The Association') is a Registered Social Landlord. It is our Vision is to provide homes and services that enable our tenants to thrive in communities where people are proud to live and work. The Association will work with others, including the government, local authority, and communities throughout Shetland to ensure individuals and families succeed and reach their full potential.

1.1.2 This Policy sets out the way in which the allocation of Association owned and co-owned properties will be undertaken and in doing so achieve our Mission to deliver high quality, affordable homes and services to communities throughout Shetland.

1.1.3 The Scottish Social Housing Charter states that social landlords must ensure that:-

- people looking for housing get information that helps them make informed

Hjaltland Housing Association – Allocation Policy

- choices and decisions about the range of housing options available to them;
- tenants and people on housing lists can review their housing options;
- people at risk of losing their homes get advice on preventing homelessness; and
- people looking for housing find it easy to apply for the widest choice of social housing available and get the information they need on how the landlord allocates homes and their prospects of being housed.

1.2 AIMS AND OBJECTIVES

1.2.1 The aim and objective of this Policy is to:

- Ensure that people have fair and open access to our housing register and assessment process;
- Allocate properties in a way which gives reasonable preference (priority) to those in housing need, makes best use of the available stock and helps to sustain communities;
- Ensure that allocations comply with relevant legal and good practice guidelines;
- Collect and analyse housing needs information and feed this back into the development programme;
- Ensure that allocations procedures are carried out effectively and efficiently to minimise void periods;
- Develop close inter-agency links to meet housing need, to tackle homelessness and meet other housing needs;
- Process applications to ensure confidentiality and access to information in line with legal requirements;
- Monitor performance in allocations and report to relevant stakeholders.

1.3 THE LAW AND GOOD PRACTICE

1.3.1 This Policy complies with current legislation, good practice and performance standards.

1.4 EQUAL OPPORTUNITIES

1.4.1 The Association shall strive to ensure equality of access in its allocation of housing, and by definition, that all individuals are treated fairly regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Hjaltland Housing Association – Allocation Policy

1.4.2 In this regard, we acknowledge the protected characteristics and types of unlawful behaviour defined within the Equality Act 2010. As a minimum, all our practices shall aim to ensure compliance with the legislative provisions therein.

1.4.3 The exceptions to this are:

- Where it is appropriate to take disability or age in to account when allocating houses which have been specially built, adapted or designated for such groups;
- In relation to registered sex offenders a property may be allocated following a joint assessment with the Police, Social Work and SIC housing, in line with the agreed multi-agency public protection arrangements (MAPPA). The allocation will be based on a risk assessment undertaken through the MAPPA process. If this highlights that an allocation of a property would be inappropriate the applicant would not be offered the property;
- If an applicant has an ASBO (Anti-Social Behaviour Order) granted against them or a history of anti-social behaviour and the allocation of a property may increase the risk of anti-social behaviour reoccurring.

1.5 REASONABLE PREFERENCE

1.5.1 Reasonable preference refers to a level of priority given to applicants under certain circumstances. Through their allocation policy, social landlords must give a reasonable level of priority to those applicants who fall within one of the reasonable preference groups.

1.5.2 Allocation policies for social housing should ensure that homelessness is not the main way in which people access a social rented home. By giving an appropriate level of priority to those in urgent housing need through their allocation policy, social landlords can play a key role in preventing homelessness.

1.5.2 The Housing (Scotland) Act 2014 amended section 20 of the 1987 Act and sets out three categories of applicants who should be given reasonable preference in an allocation policy. These are:

- People who are homeless, or are threatened with homelessness and who have unmet housing needs;
- People who live in unsatisfactory housing conditions and who have unmet housing needs; and
- Social housing tenants who are considered to be under-occupying their home.

Hjaltland Housing Association – Allocation Policy

1.6 COMPLAINTS AND APPEALS

1.6.1 Anyone who feels that the Association has not complied with this Policy can use the Association’s Complaints Procedure. A copy of the complaints procedure is available on our website at www.hjaltland.org or at the Association’s office.

2 APPLYING FOR HOUSING

2.1 APPLICATION PROCESS

2.1.1 If you are interested in being registered on the Association’s waiting list you must first complete an application form detailing your present housing circumstances.

2.1.2 Hjaltland Housing Association and Shetland Islands Council have developed a joint application form. This means that applicants who wish to be housed by either the Association and/or the Council only need to complete one form; this will then be copied to the partner organisation in line with data sharing protocols.

2.1.3 Applications can be obtained from

- Hjaltland Housing Association, 2 Harbour Street, Lerwick, Shetland, ZE1 0LR
- Shetland Islands Council, North Ness Business Park, Lerwick, Shetland, ZE1 0LZ
- Online at www.hjaltland.org or www.shetland.gov.uk

2.1.4 The tenure type offered will normally be a Scottish Secure Tenancy (SST). However, in certain circumstances as later set out in this policy, the Association may decide to exercise its powers to let the property on a Short Scottish Secure Tenancy in accordance with the Housing (Scotland) Act 2014.

2.2 ADMISSION TO THE WAITING LIST

2.2.1 REGISTRATION

2.2.2 In line with legislation, applicants who are 16 or over will be accepted on to the Association’s waiting list. The application will be awarded points based upon the information provided by in the application form. An applicant can only be included in one application form.

2.2.3 Any incomplete and/or unsigned housing application forms will not be processed but will be returned to the applicant advising what is needed to correctly complete the form and registration process.

Hjaltland Housing Association – Allocation Policy

- 2.2.4 As part of the awarding of points to your application you may be required to confirm or provide proof of your circumstances. Prior to the allocation of a property a home visit will be undertaken to confirm the details provided by you in your application. At this stage points may be removed or added depending on the circumstances.
- 2.2.5 The application will be awarded points based on the information provided in the application form. The applicant will receive written confirmation that they have been accepted on to the housing list and this letter will detail their total priority points and the groups under which they qualify.

2.3 TAKING PROPERTY OWNERSHIP IN ACCOUNT

- 2.3.1 The ownership and/or value of heritable property can be taken into account in allocating social housing as per Section 5 of the Housing (Scotland) Act 2014. Heritable property includes land, as well as anything built on land, and can be property currently owned, or that has been previously owned, in Scotland, the rest of the UK or abroad.
- 2.3.2 This means that if the applicant, or a current or future member of the household, currently owns land or property or previously owned land or property, this can be taken into account when deciding on an applicant's priority for the allocation of social housing. This applies to existing tenants as well as new tenants.
- 2.3.3 The Association will, therefore, consider property ownership when assessing an applicant's housing needs and their circumstances and the applicant may be awarded a lower level of priority points if an applicant either owns their own current home or could reasonably occupy one that they own.
- 2.3.4 Property ownership will not be taken into account in the following circumstances:
- In cases where the property has not been let, but the owner cannot secure entry to the property. This could, for example, be where it is not safe to enter the property due to severe structural faults or where there are squatters living in the property;
 - Where it is probable that occupying the property will lead to abuse from someone currently living in the property;
 - Where it is probable that occupying the property will lead to abuse from someone who previously resided with the applicant whether in that property or elsewhere;
 - Where occupation of the property may endanger the health of the occupants and there are no reasonable steps that can be taken by the applicant to prevent that danger.

Hjaltland Housing Association – Allocation Policy

2.3.5 The circumstances of each case will be considered and the Association may decide to allocate a property to an applicant who owns property.

2.3.6 For example, where the applicant owns property but it does not meet their needs and they required to be rehoused urgently. In these circumstances the property to be allocated will be offered under a Short Scottish Secure Tenancy which will allow the person to make arrangements for the sale or installation of adaptations, which will allow the person’s housing need to be met. **Any decision to do so must be approved by the Head of Housing & Customer Services.**

2.4 LETS TO STAFF OF THE ASSOCIATION, MANAGEMENT COMMITTEE MEMBERS OR CLOSE RELATIVES

2.4.1 Any applicant who is defined as being a ‘Connected Person’ must complete full details in the declaration at the end of the housing application form and includes a relationship with any of the following:

- a) A committee member or a former committee member (in the previous 12 months), or
- b) A staff member or a former staff member (in the previous 12 months)

2.4.2 Connected people are defined as those in groups 1 and 2 below

Group 1 Members of your household	Group 2 People closely associated with you	Group 3 Others you may need to consider
Anyone who normally lives as part of your household, whether they are related to you or not, including spouses/partners who work away from home and sons and daughters who are studying away from home	<ul style="list-style-type: none"> • Parents, parents-in-law and their partners • Sons and daughters; stepsons and step-daughters and their partners • Brothers and sisters and their partners • A partner’s 	Other relatives (e.g. uncles, aunts, nieces, nephews & their partners)

2.4.4 This does not mean they cannot be considered for an allocation but ensures that the necessary procedures are followed in accordance with the Scottish Housing Regulator’s good practice and guidance.

2.5 JOINT APPLICATIONS

2.5.1 Where a joint application is made by applicants currently living in separate accommodation, assessment will be based on the main applicant’s circumstances as described in the application form.

2.6 CHANGE OF CIRCUMSTANCES

3 ALLOCATION PROCESS

3.1.1 CHOICE BASED LETTINGS

Hjaltland Housing Association – Allocation Policy

3.1.2 The Association operates a Choice Based Lettings (CBL) scheme. The Association will advertise properties to let in the Shetland Times newspaper and website, and on the Association’s website, (www.hjaltland.org.uk) and the Association’s Facebook page.

3.1.3 Applicants who are on our waiting list and who are interested in being considered for a property which is advertised must register an interest prior to the closing date as advised on the advert. Applicants can register an interest either in person at our office or by phoning our office on 01595 694 986 or emailing mail@hjaltland.org. Registers of interest are not accepted through Facebook or by other means. It is the applicant’s responsibility to put their name forward for a property advertised. Another person can register an interest on behalf of an applicant if the applicant has provided us with permission for them to do so, e.g. a family member, friend or carer.

3.1.4 Properties advertised will detail:

- The address of the property
- The monthly rent and service charges due
- The property size and type, e.g. 3 bedroom, 5 person semi-detached house
- The Energy Performance Certificate rating (EPC)
- Who the property will be available for, e.g. Hjaltland or Shetland Island Council applicants along the points group
- The closing date and time for registering an interest in the property

3.2 LOCAL AUTHORITY NOMINATIONS

3.2.1 The Association, in line with Scottish Government targets and a local agreement with Shetland Islands Council, aims to allocate 50% of its lets to nominees from the Council. It has been agreed with the Shetland Islands Council that the nomination arrangement will be undertaken through the Choice Based Lettings scheme.

3.2.2 A copy of the Nomination agreement is available at the Association’s Office upon request.

3.3 SECTION 5 REFERRALS

3.3.1 All unintentionally homeless households are entitled to settled accommodation. Local authorities have statutory duties to provide accommodation and/or advice to those who are homeless or are threatened with homelessness. RSLs also have duties under Section 5 of the Housing (Scotland) Act 2001 to house statutory homeless people. RSLs have to meet Section 5 requests from local authorities unless there are good reasons not to.

Hjaltland Housing Association – Allocation Policy

3.3.2 The Code of Guidance on Homelessness sets out the circumstances where an RSL may have good reason not to comply with a Section 5 request and the time period within which local authorities and RSLs should reach agreement. In summary, good reason is where:

- an RSL is unable to make suitable housing available within six weeks of the request; or
- the only housing the RSL has available is of a particular nature (for example sheltered housing for older people) and this is not suitable for the applicant.

3.3.3 There are no other grounds for an RSL to refuse a Section 5 referral. RSLs cannot use any other terms of their allocation policy for refusing to deal with a Section 5 referral.

3.4 GROUPS PLUS POINTS SCHEME

3.4.1 In the assessment of applications, the Association operates a groups plus points scheme, which gives priority to those in greatest housing need.

3.4.2 There are seven points groups:

- 1. Sub-standard - including Mobile Homes**
- 2. Sharing Amenities**
- 3. Social Needs**
- 4. Overcrowded**
 - 4a. Under occupying**
- 5. Insecure Tenancies**
- 6. Medical**
- 7. Support**

3.4.3 Applicants are eligible to be awarded points from within any of the points groups, if they meet the relevant criteria.

Hjaltland Housing Association – Allocation Policy

3.5 ALLOCATION OF PROPERTIES: LETTINGS PLAN

- 3.5.1 The Association will, on an annual basis, develop a Lettings Plan, as part of its Business Plan for the coming financial year. The aim of this is to meet a range of housing needs and provide the detail on the percentage of properties that are to be allocated to transfers and general needs lets, along with the proportion to be let to each of the groups as specified at section 3.4 of this policy.
- 3.5.2 This enables the Association to meet a range of housing need across those who apply for housing with the Association.
- 3.5.3 A copy of the lettings plan is available from the Association's office upon request.

3.6 SIZE OF ACCOMMODATION OFFERED

- 3.6.1 The size of accommodation offered is determined by the size of the applicant's household. The following size standards will be used
- 3.6.2 Each member of the household should have their own single bedroom, except where the household includes:
- a) A couple including same sex couples, single parent or pregnant woman in a double bedroom
 - b) Two children under five in a double bedroom
 - c) Two children of the same sex under the age of 15, where the age difference is less than 6 years in a double bedroom
- 3.6.3 The exception to this is where
- In non-pressured areas the Association reserves the right to allocate a property to those in greatest housing need without reference to the size of the household, provided the property is not then overcrowded.
 - An applicant has contact with children who do not live with them permanently. In these circumstances the Association will take into consideration the level of contact and the number of children involved when deciding on the size of property that will be offered. For example an applicant with irregular contact to 1 child may only be considered for a 1 bedroomed property.
 - Where there is a medical reason – confirmation will be required from a health or social care professional with qualifications and experience appropriate to the areas of risk/need identified in the assessment.

Hjaltland Housing Association – Allocation Policy

- Where an extra bedroom is required for a carer where there is an assessed need for regular ongoing sleepover care.

3.7 APPLICATION CHECKS PRIOR TO ALLOCATION

3.7.1 The Association will undertake the following checks prior to the formal offer of accommodation:

- Home visit to confirm details on application form. Points may be added or removed to reflect the applicant's circumstances. Where points are removed this may result in the property not being offered to the applicant.
- A tenancy check will be sought from the applicant's current or most recent landlord. This will seek information about how the applicant has managed their tenancy.
- Rent Arrears – you may not be allocated a property if you or a joint applicant has outstanding arrears in relation to a property of which you were the tenant, including debt relating to rechargeable repairs and legal costs owed to the Association from a current or previous tenancy. The exceptions to this are where:
 - you owe rent equivalent to less than one month's rent; or
 - you have arrears but you have made arrangements with your landlord to pay the debt; and
 - you have made the agreed payments for at least 3 months; and
 - you are continuing to make those payments

3.7.2 It is therefore important for you to make arrangements to pay off any outstanding debt that you owe your landlord.

3.7.3 Anti-social behaviour – you may not be allocated if you or a member of your household has acted anti-socially or have previous conviction. See Section 6 (Suspension from receiving an offer of housing) for further details.

3.8 APPLICANTS LIVING OUT WITH SHETLAND

3.8.1 If you are not currently resident in Shetland you will not be made an offer of accommodation unless you:

- Are employed, or have been offered employment in Shetland – written confirmation will need to be provided. When considering if you can be allocated

Hjaltland Housing Association – Allocation Policy

a property, we will carry out reasonable checks to confirm you are in employment or that you have been offered employment. For example we will contact your employer or your prospective employer.

- Wish to move to Shetland to seek employment - you will be asked to provide copies of correspondence relating to any job applications you have made or the contact details of your prospective employers. We may also take into account the type of employment you are seeking in relation to available employment in Shetland.
- Wish to move to Shetland to be near a relative or carer – written confirmation will be sought
- Have special social or medical reasons for requiring to be housed in Shetland – consideration will be given to the nature of the social or medical need and contact will be made with relevant agencies or persons in reaching a judgement about whether a move to Shetland is appropriate.
- Are subject to harassment and wish to move to Shetland – confirmation that you are being harassed will be sought from appropriate agencies including the Police, your existing landlord and the local Social Work department.
- Run the risk of domestic violence and wish to move to Shetland – confirmation of your circumstances will be sought.

3.9 APPLICANTS FROM OUT WITH THE UNITED KINGDOM

3.9.1 Anyone subject to immigration control must declare this on the housing application form and will require to be assessed in terms of the legislation and the Right to Remain.

3.9.2 Such applicants may remain on the Housing Register but will be required to provide evidence of status before eligibility for accommodation can be confirmed.

4 ALLOCATION OF PROPERTIES

4.1.1 CHOICE BASED LETTINGS:

PROPERTIES TO BE ALLOCATED TO THOSE ON THE ASSOCIATION'S WAITING LIST

4.1.1 In reaching a decision on the allocation of a property the following approach will be taken

Hjaltland Housing Association – Allocation Policy

- 1) **Best fit** – all applicants who have applied for the property whose family make-up matches the size of the property advertised will be identified, then
- 2) **Group points will be considered** – those applicants with points in the points group advertised for the property will be identified then
- 3) **Total points will be considered** - the applicant with the highest overall points (which must include the priority points group advertised for the property) will be allocated the property
- 4) In the event that applicants have the same points level the allocation of the property will be based on the date order of their application with the applicant who registered their application earliest being preferred.

4.1.2 If a joint application is made then a joint tenancy agreement must be signed.

4.2 TRANSFERS FOR EXISTING TENANTS

4.2.1 The Association is keen to ensure that existing tenants are given the opportunity to transfer to alternative accommodation where a need for a move is identified.

4.2.2 Existing tenants who wish to be considered for a move must complete a housing application form and will be pointed according to the points system contained within this policy. Transfer applicants will be entitled to 5 transfer points.

4.2.3 When advertising properties through the Choice Based Lettings scheme the adverts will highlight that the properties are available to Hjaltland Transfer Applicants.

4.2.4 In the case of Transfer Applicants, in reaching a decision on the allocation of a property the following approach will be taken:-

- 1) **Best fit** – all transfer applicants who have applied for the property whose family make up matches the size of the property allocated will be identified, then
- 2) **Total points will be considered** - the transfer applicant with the highest overall points will be allocated the property
- 3) In the event that transfer applicants have the same pointing level the allocation of the property will be based on the date order of their application.

4.2.5 In order to ensure the best and most efficient use of the Association's housing stock, the Association reserves the right to allocate a property to a transfer applicant, in line with the Lettings Plan, even where their overall points is not greater than the general needs applicants who have applied.

4.2.6 If a joint application is made then a joint tenancy agreement must be signed.

4.2.7 **The following conditions will apply:**

- Transfers will not normally be considered where adaptations have been undertaken to their

Hjaltland Housing Association – Allocation Policy

existing home to meet their, or a member of their household's housing need.

- The transfer must not normally result in the property being vacated becoming a lengthy void.
- The property must meet the Association's Lettable Standards
- The transfer must not result in overcrowding or under-occupancy of the new accommodation.
- The tenant must not be in breach of their tenancy conditions except in cases where the breach is the reason or part of the reason for transfer.
- The tenant must normally have a clear rent account or arrears of not more than one twelfth of the annual amount payable and have agreed and adhered to a repayment schedule for at least 3 consecutive months. However, where the arrear is caused by or is likely to increase due the Under-occupancy reduction imposed under Welfare Reforms a transfer may be granted.

4.3 CHOICE BASED LETTINGS:

4.3.1 SHETLAND ISLANDS COUNCIL NOMINATIONS AND HOMELESS NOMINATIONS

4.3.2 In line with the existing Nominations agreement between the Association and Shetland Islands Council, properties identified as SIC Nominations will be allocated in the following way:

- 1) **Best fit** – all applicants who have applied for the property whose family make up matches the size of the property advertised will be identified, then
- 2) In the case of SIC general needs lets, the **highest SIC pointed applicant**
- 3) In the case of SIC homeless applicants, in **date order of their SIC homeless assessment**.

4.3.2 If a joint application is made then a joint tenancy agreement must be signed.

5.10.5 **MAXIMUM POINTS IN THE GROUP:** **25**

5.11 SHELTERED HOUSING

5.11.1 The Association currently has 13 sheltered properties. Applicants who are interested in being considered for sheltered housing must submit an application form and this will be pointed in line with this policy.

5.11.2 When a sheltered unit is advertised through the Choice Based Letting scheme it will be identified as a sheltered property. The successful applicant will be considered on the following basis:

- 1) **Best fit** – all applicants who have applied for the property whose family make up matches the size of the property advertised will be identified, then
- 2) **Total points will be considered** - the applicant with the highest overall points will be allocated the property pending a sheltered housing assessment being undertaken
- 3) Sheltered housing assessment procedure to be followed to assess whether the applicant requires the support of the Housing Support Worker. Where support is required, the applicant will be offered the property.

5.11.3 If a joint application is made then a joint tenancy agreement must be signed.

5.12 SUPPORTED LIVING AND OUTREACH PROPERTIES

5.12.1 These properties provide supported accommodation to individuals with learning and/or physical disabilities. The Association has an agreed allocation procedure in place with Shetland Islands Council's Social Work department for the allocation of these units.

5.12.2 Copies of these procedures are available at the Association's office.

5.13 SHARING OWNERSHIP AND SHARED EQUITY PROPERTIES

Hjaltland Housing Association – Allocation Policy

5.13.1 Applicants who are interested in being considered for Sharing Ownership (part mortgage/part payment to Hjaltland) or Shared Equity (low cost home ownership properties) must complete a housing application form. Their application will be pointed in line with this policy. After the first year sharing owners can increase their share in 25% tranches and proceed to 100% ownership. Occupancy Agreements are renewed every 20 years. The home must be the applicant's only residence and they must not own another home. If the applicant does own another home, they are expected to sell this before purchasing a home under the scheme. Sharing owners are responsible for all repairs and maintenance to the property.

5.13.2 Any Shared Ownership or Shared Equity properties that become available either as new lets or relets will be advertised under the Choice Based Lettings scheme. The property will be offered on the following basis:

- 1) **Best fit** – all applicants who have applied for the property whose family make up matches the size of the property advertised will be identified, then
- 2) **Total points will be considered** - the applicant with the highest overall points will be offered the property

5.13.3 The Association reserves the right to offer the property to a transfer applicant who applies if this will make best use of the Association's stock

5.13.4 Applicants will be required to obtain a mortgage or other such funds to facilitate the purchase of their share.

5.14 ADAPTATION OF PROPERTIES: NEW BUILD AND EXISTING UNITS

5.14.1 Where a Hjaltland existing tenant has specific need for an adapted property the Association may give consideration to meeting their housing need through the adaptation of a new build property. This only applies where all reasonable alternatives have been exhausted, access to Stage 2 grant funding is available and when building warrants and construction timescales permit the changes.

5.14.2 The Association may adapt an existing property through 'Stage 3' grant funding where available. Further of stage 3 adaptations details can be found in the Associations Aids and Adaptations Policy which is available upon request.

5.14.3 The following procedure will be followed:

- 1) Person must submit a housing application and will be pointed in line with this policy
- 2) An Occupational Therapist report will be sought by the Association to determine the level and nature of adaptation required.

Hjaltland Housing Association – Allocation Policy

- 3) Where it is assessed by the Association that the level of adaptation required is significant or it is not possible to adapt the tenants existing property, then a new or existing property may be pre-allocated to enable the works to be undertaken.
- 4) This decision will be taken by the Head of Housing and Customer Service, and the Chief Executive.
- 5) The decision to alter a property will also depend upon the availability of funds to undertake the work required. Where funding cannot be secured the adaptation will not progress.

5.14.4 In terms of property adaptations the Association's duty under the Equalities Act is to its existing tenants. In circumstances where non Hjaltland tenants require a property to meet their specific needs the Association will work with Shetland Islands Council to identify how this need can be achieved through the affordable housing supply programme. This may include allowing the council to pre-allocate a property through the existing nomination arrangement. This will only apply where all reasonable alternatives have been exhausted, access to Stage 2 grant funding is available and when building warrants and construction timescales permit the changes.

5.14.5 Such requests must be accompanied by an Occupational Therapist report as well as evidence of what alternative housing options have been considered and exhausted.

5.14.6 Adapted properties must fit the Association's stock profile requirements and consideration will be given to the properties size and geographic location as well as future demand for a property of that type and its future let-ability.

5.15 RECOVERING ADAPTED PROPERTIES

5.15.1 Some properties are designed or adapted to meet the particular needs of a tenant or a person living with the tenant. Sometimes that person moves to a different property or dies.

5.15.2 The Association will be able to apply to the Court to recover a property if it is not being occupied by anyone who needs the adaptations. The Association would only do this if we need the property for someone who specific needs for the adaptations. The Association will give notice to the tenant before applying to the court to do this and would offer suitable alternative accommodation and support with moving costs. The tenant has the right to ask the Court to consider whether our actions are reasonable and challenge the suitability of the alternative accommodation.

5.16.1 SEX OFFENDERS & POTENTIALLY DANGEROUS OFFENDERS

Hjaltland Housing Association – Allocation Policy

5.16.2 The Association has a duty to co-operate with the local authority and Police where applications are received from Registered Sex Offenders, violent offenders or from other potentially dangerous offenders.

5.16.3 The Association will work in partnership with Shetland Islands Council's Criminal Justice Social Work Department, Housing Service Liaison Officer and Police on any risk assessment and action plan for such offenders seeking housing. Any allocation would only be made in accordance with agreed Policy and Protocols.

5.16.3 When it comes to the allocation of a property the Association will work jointly with Social Work, the Police and SIC Housing under the MAPPA (Multi Agency Public Protection Arrangements). This will assess community safety issues and will determine whether a property is appropriate to be allocated to the applicant.

5.16.4 POINTING PROCEDURE

5.16.5 All categories of points apply where appropriate.

5.17 PRISONERS

5.17.1 An application from an applicant in prison will be accepted and pointed in line with this allocation policy. It is anticipated that most applications from prisoners will come through the Section 5 referral process.

5.18 POINTING PROCEDURE

5.18.1 All categories of points apply except for overcrowding points.

5.19 SPECIAL CASES

5.19.1 Where individual applications being considered for allocation fall out with the scope of this allocation policy, the Head of Housing and Customer Service or Senior Housing Officer will present the case to the Association's Management Committee.

5.19.2 The information provided will not include the names and address of the applicant but only information necessary for members of the committee to affirm or otherwise the decision made by staff.

5.20 TRANSFERS FOR EXISTING TENANTS

5.20.1 The Association is keen to ensure that existing tenants are given the opportunity to transfer to alternative accommodation where a need for a move is identified.

Hjaltland Housing Association – Allocation Policy

5.20.2 Existing tenants who wish to be considered for a move must complete a housing application form and will be awarded priority according to the priority points system contained within this policy. Transfer applicants will automatically be entitled to 5 transfer points in addition to any other priority they may be awarded.

5.20.3 When advertising properties through the Choice Based Letting scheme adverts will highlight when properties are available to the Association's transfer applicants.

5.30 MUTUAL EXCHANGE

5.30.1 The Association has adopted a Mutual Exchange Policy which is available from the Association's office or from our website. The Policy notes the mutual exchange process, contains an application form and notes the grounds for refusing consent to exchange. Under no circumstances should tenants move before such consent is given.

5.30.2 The Association's tenants are permitted to organise mutual exchanges of property with other Hjaltland or Shetland Islands Council tenants or other social rented tenants in the UK.

5.30.3 All applicants who are party to a mutual exchange and are not already Hjaltland tenants must complete and return a housing application form. The procedures noted at 5.15.1 of this policy will apply where parties to the exchange are Registered Sex Offenders, violent offenders or from other potentially dangerous offenders.

5.30.3 Mutual exchanges between Hjaltland tenants and owner occupiers, sharing/co-owners or privately rented occupiers are not permitted.

5.31 PET POLICY

5.31.1 The Association has adopted a Pets Policy which is available from the Association's office or from our website.

5.31.2 The main objective of the Pets Policy is to ensure that measures and procedures enable tenants to keep pets, whilst ensuring that others are not adversely affected by this. Hjaltland aims to encourage responsible pet ownership and ensure that issues of pet nuisance, cruelty or neglect are dealt with appropriately and effectively.

5.31.3 The policy specifies the following:

- Conditions under which tenants will be granted permission to keep pet
- Instances where permission will not be granted
- Action to be taken where conditions are broken

Hjaltland Housing Association – Allocation Policy

5.31.4 Applicants who are seeking to be housed with their pets are encouraged to read the Pet Policy. Permission in writing in advance of an allocation of housing is required.

5.32 LOCAL LETTINGS INITIATIVE – KING HARALD STREET

5.32.1 This Local Lettings Initiative (LLI) will assist in meeting the aims and objectives of the Association's Allocation Policy, in particular;

- Allocating properties in a way which gives reasonable preference to those in housing need, makes best use of the available stock and helps to sustain communities.
- Ensuring that allocations comply with relevant legal and good practice guidelines. The Scottish Social Housing Charter introduced by the Housing (Scotland) Act 2010, provides standards that all social landlords should be achieving for their tenants and requires landlords to make best of available stock.

Background

5.32.2 King Harald Street is a new build development of 27 units, with 10 ground floor properties, all of which enjoy good access. The development provides a unique opportunity to help alleviate the substantial demand for single person accommodation in Lerwick. The LLI will only be applicable for the ground floor properties and will only be applied for the first let. Following the first let, future voids will be re-let in line with the normal Allocation Policy.

Aims

5.32.3 Our approach has been designed to achieve a number of wider aims including;

- Maximising the number of allocations that the development can accommodate by prioritising existing tenants whose housing needs cannot be met in their existing properties. Their properties will therefore become available for re-allocation, increasing the movement within social housing across Shetland.
- Freeing up larger properties by providing an opportunity for existing tenants to downsize.
- Enabling existing tenants, many of whom who have an identified housing need, to access more suitable accommodation.

Allocations

5.32.4 To ensure that allocations are made to those that can assist with the LLI, preference will be given to the following applicants who bid via our Choice Based Letting system;

- Applicants that are existing Association or Shetland Islands Council tenants.
- Applicants that are existing Association or Shetland Islands Council tenants, are currently under-occupying their tenancy and wish to downsize.
- Applicants that are existing Association or Shetland Islands Council tenants and have a medical need for a ground floor property with good access.

Hjaltland Housing Association – Allocation Policy

Nominations

- 5.32.5 To ensure that allocations are made to those that can assist with the LLI, the Shetland Islands Council will nominate applicants who meet the following criteria;
- Applicants that are existing Association or Shetland Islands Council tenants.
 - Applicants that are existing Association or Shetland Islands Council tenants, are currently under-occupying their tenancy and wish to downsize.
 - Applicants that are existing Association or Shetland Islands Council tenants and have a medical need for a ground floor property with good access.

Monitoring & Review

- 5.32.6 This approach will be reviewed by the Head of Housing and Customer Services after 12 months to establish how successful the initiative has been. Factors that will be monitored will include;
- Additional lets freed up as a consequence of the LLI
 - Recording the number of refusals
 - Assessing tenancy turnover during the year

6.0 SUSPENSION FROM RECEIVING AN OFFER OF HOUSING

- 6.1.1 A suspension is when a social landlord decides that it will not make an applicant an offer of housing until certain circumstances have changed, conditions are met or a set period of time has passed. The applicant will remain on the landlord's housing list while suspended unless they ask to be removed from the list.

6.2 GENERAL APPLICATIONS LIST

- 6.2.1 The Association will suspend an applicant from receiving an offer for a maximum period of 12 months in the following circumstances.

6.3 DELIBERATE WORSENING OF CIRCUMSTANCES

- 6.3.1 Reasons for this decision may include but are not limited to:
- Giving up secure accommodation to move into insecure accommodation;
 - Moving to a property which is unsuitable for social or medical reasons;
 - Moving to a property which is in serious disrepair or below the tolerable standard.

6.4 FALSE, MISLEADING OR WITHHELD INFORMATION

- 6.4.1 Where it is confirmed that an applicant or joint applicant has withheld or has provided false or misleading information which is relevant to their housing need. A statutory suspension can only apply to a false statement made by the applicant and does not extend to a false statement by others on the application form and who will live in any property let to the applicant. The Association will wish to look at the circumstances of each case rather than applying a blanket approach. For example, the Association might choose not to suspend if the false information does not affect the outcome of the assessment of housing need.

Hjaltland Housing Association – Allocation Policy

6.5 RENT OR OTHER HOUSING RELATED DEBTS

6.5.1 Where an applicant or joint applicant has rent or other tenancy related debts. Tenancy-related debts can include such things as service charges, the cost of rechargeable repairs, the costs of clearing an abandoned house and storing furniture, and property management charges.

6.5.2 A landlord cannot suspend an application when either or both of the following apply:

- the rent arrears are not more than one twelfth of the annual rent (i.e. one month's rent)
- the applicant has agreed with the landlord an arrangement for paying the outstanding liability; and has made payments in accordance with that arrangement for at least three months; and is continuing to make such payments.

6.6 ANTI-SOCIAL BEHAVIOUR

6.6.1 Where there is a current Anti-Social Behaviour Order (ASBO) against the tenant or a member of the household to be re-housed, an eviction in the last 3 years. The final criterion would have to be evidenced and legal advice sought on an individual case basis.

6.6.2 Where the applicant or someone who has lived with the applicant has been convicted of:

(i) using a house or allowing it to be used for immoral or illegal purposes,

or

(ii) an offence punishable by imprisonment which was committed in, or in the locality of, a house occupied by the person.

6.6.3 The Housing (Scotland) Act Section 20B (6)(a) states that landlords may impose a suspension where:

(a) the person has-

(i) acted in an antisocial manner in relation to another person residing in, visiting, or otherwise engaged in lawful activity in the locality of a house occupied by the person,

(ii) pursued a course of conduct amounting to harassment of such other person, or a course of conduct which is otherwise antisocial conduct in relation to such other person, or

Hjaltland Housing Association – Allocation Policy

(iii) acted in an antisocial manner, or pursued a course of conduct which is antisocial conduct, in relation to an employee of the social landlord in the course of making the application.

6.6.4 The legal definition of anti-social behaviour is outlined in the Anti-social Behaviour (Scotland) Act 2004. The legislation says that a person is involved in anti-social behaviour if they:

“Act in a manner that causes or is likely to cause alarm or distress, or pursue a course of conduct that causes or is likely to cause alarm or distress to at least one person not of the same household as them.”

“Conduct” includes speech and “course of conduct” is defined as being on two or more occasions.

6.6.5 The Housing (Scotland) Act 2001 gives criteria for landlords to use when considering court action for eviction based on antisocial behaviour and provides a useful framework for landlords to use when deciding whether to suspend based on antisocial behaviour.

6.6.6 The Association will consider:

- the nature, frequency and length of the conduct;
- the extent to which the conduct arises because of acts or omissions of people other than the tenant;
- the effect the conduct is having on other people; and
- any other action taken, or capable of being taken, by the landlord to address the conduct.

6.6.7 The Housing (Scotland) Act 2014 provides scope for granting Short Scottish Secure Tenancies (SSST) to situations where applicants or tenants have acted anti-socially in or near their home in the last three years or where there has been an eviction or ASBO issues in the last three years.

6.6.8 During the period of the SSST the Association is obligated to ensure that appropriate housing support is available to facilitate the conversion from the SSST to a full SST. This allows the Association to more closely manage the tenancies of those who have a recent history of ASB, with the ultimate aim of moving them into successful and sustainable Scottish Secure Tenancies (SST).

6.7 PREVIOUS CONVICTIONS

Hjaltland Housing Association – Allocation Policy

- 6.7.1 The Association will impose a suspension if the applicant or someone the applicant lives with or has lived with, has been convicted of certain offences and where those offences are associated with a residential property or the surrounding area.
- 6.7.2 This suspension will apply to a waiting list or transfer applicant from receiving an offer of housing where they, or someone they live or have lived with, have been convicted of a crime that has been committed in or near the property where they were a tenant or joint tenant.
- 6.7.3 The Association will wish to consider carefully the nature of the offence and whether the behaviour that led to a conviction has had an impact on the people living in, or in the locality of, the house before suspending on this basis.
- 6.7.4 If the Association chooses to include previous convictions within its suspensions policy, it can only use the reasons specified under section 20B of the 1987 Act. These are that the applicant or someone who has lived with the applicant has been convicted of:
- (i) using a house or allowing it to be used for immoral or illegal purposes, or
 - (ii) an offence punishable by imprisonment which was committed in, or in the locality of, a house occupied by the person.
- 6.7.5 Punishable by imprisonment means that the offence carries imprisonment as a possible penalty. A prison sentence does not need to have been imposed for the conviction to be used as a valid ground for suspension. For example, a community payback order may be given by the criminal court as an alternative to a prison sentence.

6.8 WHERE AN APPLICANT HAS ABANDONED OR NEGLECTED A TENANCY

- 6.8.1 An applicant's previous tenancy has been repossessed when abandoned under section 18(2) of the 2001 Act. If a joint tenant, the tenancy would have been terminated by the landlord under section 20(3) of the 2001 Act.
- 6.8.2 This means that an applicant could be suspended if they had previously had a property repossessed by a social landlord because they had abandoned that property. It would apply whether they were the sole or a joint tenant.
- 6.8.3 The Association will also consider neglecting a property as a possible reason for suspension. Where the applicant was a tenant or joint tenant of a property for which

Hjaltland Housing Association – Allocation Policy

a court has ordered recovery of possession on the ground of deterioration of the property due to neglect, or deterioration of furniture due to ill-treatment (paragraph 3 or 4 of schedule 2 to the 2001 Act).

6.8.4 As set out above, these reasons for suspension apply only to repossessions or orders for repossession of any social rented sector tenancy made in Scotland under the provisions of the 2001 Act. This means that landlords could choose to suspend an applicant who has abandoned or neglected another social landlord's property as well as their own.

6.9 INTERNAL TRANSFER APPLICANTS

6.9.1 The Association will suspend an internal transfer applicant from receiving an offer in the following circumstances:

- Where the existing tenant has rent arrears of one month's rent or above and they have not adhered to an agreed repayment schedule for a minimum of 3 months; **or**
- Where a Notice of Proceedings for rent arrears which exceed one month's rent is outstanding, the applicant will be required to have kept to a repayment arrangement for at least 3 consecutive months otherwise their application will be suspended until this criterion has been met.

6.9.2 Where an internal transfer applicant's current home does not meet our Lettable Standard the Association may suspend an offer of a transfer until such works have been carried out by the tenant. A copy of the Lettable Standard is available upon request.

6.9.3 Applicants who are suspended from receiving an offer will be notified of this in writing with an explanation on the reasons. The suspension will normally be for a period of 12 months from the date of the deliberate worsening of circumstances. However, should the applicant's circumstances change during the period of suspension, their application will be reassessed and the suspension may be lifted. Applicants may appeal this decision using the Association's Complaints Policy, a copy of which is available upon request.

6.9.4 It will not be usual practice for the Association to remove applicants from the rented housing list, where this does occur, it will be confined to the following circumstances:

- The applicant has been offered a tenancy by us or another RSL, and this offer has been accepted;

Hjaltland Housing Association – Allocation Policy

- The applicant has requested to be removed from the list;
- The applicant has not returned a new application form following a change of address;
- The applicant has not responded to the annual review process;
- The applicant has not responded to offers of housing;
- The applicant is deceased

6.9.5 If imposing a statutory suspension under the Housing (Scotland) Act 2014, the Association cannot use the same evidence more than once to impose a suspension when it relates to the same application for housing. The Association will adopt this approach to also apply to non-statutory suspensions.

6.9.6 As an example, if the Association imposes a suspension because an applicant has abandoned a previous tenancy, it cannot suspend again using this reason once the initial suspension has come to an end. This applies to evidence relating to an applicant or someone it is proposed will live with the applicant.

6.9.7 The Association could however choose to impose a further suspension for a different reason. For example, it could impose a suspension for a previous conviction and once that suspension has expired they could immediately impose a suspension for a separate occurrence of antisocial behaviour.

6.10 LENGTH OF SUSPENSIONS

6.10.1 There is no maximum length for a suspension set out in legislation. However, the Scottish Government's Statutory Guidance makes it clear that statutory suspensions should not exceed three years.

6.10.2 Where applicable, rather than setting a specific time for the suspension, the Association will remove a suspension under certain circumstances. For example, where the applicant has existing rent arrears, the Association will remove the suspension once an applicant has made payments in accordance with an arrangement for at least three months and is continuing to make their repayments as agreed. Where a suspension is based on the condition of a transfer applicant's property, it will be removed as soon as the condition of the property has been improved to our satisfaction.

6.10.3 The Association can shorten or withdraw a suspension at any time where they feel that it is appropriate to do so. However, we will not vary a suspension in a way that lengthens it.

6.11 RIGHT TO APPEAL A SUSPENSION

Hjaltland Housing Association – Allocation Policy

6.11.1 Where the Association decides to use statutory suspensions for applicants who are new to the list, applicants who are suspended on this basis (under section 20B) have a right to appeal to the Sheriff Court.

7.0 ADVICE AND ASSISTANCE

7.1.1 Applicants should not hesitate to contact the Association if they require assistance in completing forms or wish to seek advice about the housing options available to them.

7.1.2 If an applicant requires a large print, on tape or Braille version of the policy the Association will arrange to make this available.
