

Can you help us provide even higher quality services to our tenants, and improve people's lives?

Hjaltland Housing Association is a registered Scottish Charity and social landlord which owns over 800 affordable, high quality, rented homes all over Shetland.

The management committee provides strong strategic leadership to our staff team, creating a dynamic and progressive organisation to help us achieve our business vision of "Providing homes, supporting communities".

We are looking for enthusiastic, community-minded volunteers to join our Board and help shape change as we move forward, who have a range of skills and personal qualities that will strengthen our leadership and direction into the future. The role presents a fantastic opportunity to support and challenge staff ensuring we continue to provide high quality housing and services that our tenants and communities want.

We are particularly interested in recruiting individuals with skills and experience in the following areas:

- Good knowledge of the needs of our communities
- Repairs and asset management
- Risk management
- Finance or auditing
- Law
- Housing
- Construction management

Applications from tenants would be particularly welcome.

The Association is committed to equality and diversity and welcomes applicants from all sections of the community.

You would be expected to attend a monthly evening meeting in Lerwick. In total, the time commitment needed is approximately 7 – 14 hours per month to read Board papers, attend meetings, and undergo relevant induction and training.
